### Exceptional Child Night Monday 4/2, 5-7 PM

The Central Wisconsin Children's Museum wants to be beneficial for every child, so we open the museum the 1st Monday of each month from 5-7 pm exclusively for families that have children with exceptional needs, including autism. The museum is available for parents and children to play together in a "less overwhelming" atmosphere. With funding from Wisconsin Early Autism Project, this program is free no preregistration required.

### Healthy Family Night Thursday 4/12, 5-8 PM

On the second Thursday of each month, the Central Wisconsin Children's Museum opens its door from 5 pm-8 pm for families to enjoy a family-style meal, a healthy life-style program, and to explore the educational exhibits at no cost to them. Dinner is served at 5:30, followed by programming provided by Farm to School at 6 pm.

Made possible with funding provided by the Portage County Hunger & Poverty Prevention Partnership, St. Bronislava Parish, and Monogram Loves Kids Foundation, Healthy Family Night is free and no registration is required.
