***NEW* Art Incorporated - Tuesdays at 9:30 & 10 am**
Explore the world of art materials to create unique master pieces. During each 30 minute "toddler & me" style class children and their caregivers will experiment with a variety of art techniques. Watch your child's imagination, communication, sense of identity and confidence grow with each new project. (Class size limited to 10 people.)

***NEW* Stem Sprouts - Wednesdays at 9:30 & 10 am**
During each 30 minute "toddler & me" style class children and their caregivers will learn early science, technology, engineering and math (STEM) concepts and skills that are used through daily routines, play and exploration. This class helps build curiosity about the natural world and the way things work.
