This Month's Special Guests

July 18th Embracing Life Chiropractic

Join Dr. Nichole for a special presentation about the body, its parts, how it is all controlled by the brain, and the super powers we have within.

July 25th Golden Sands Research,
Conservation & Development

Summer means that it's time to get out and enjoy our natural waterways! But lurking in those lakes and rivers are invasive species. Come join us and learn about invasive species and how you can stop them from spreading.

Melissa & Doug Toy Tinkerer Event

Saturday July 14, 10 am-12 pm

Be an official Melissa & Doug Toy Tinkerer for the day! We're transforming our class room into a Toy Tinkerer Workshop, where kids ages 3+ will use the power of their imaginations to combine four Melissa & Doug toys and discover the joy of coming up with new ways to play! Plus, they will go home with Inspiration Kits full of ideas and activities to keep the fun going! Don't miss this chance to launch imaginations and inspire a sense of wonder in your kids!

Free with admission or membership. Limited to 25 children.
