Healthy Family Night
Thursday 11/15, 5-8 PM

On the second Thursday of each month, the Central Wisconsin Children's Museum opens its door from 5 pm-8 pm for families to enjoy a family-style meal, a healthy life-style program, and to explore the educational exhibits at no cost to them. Dinner is served at 5:30, followed by programming provided by Farm to School at 6 pm.

Made possible with funding provided by the Portage County Hunger & Poverty Prevention Partnership and Monogram Loves Kids Foundation, Healthy Family Night is free and no registration is required.

REACH for the Stars
A Reading Incentive Program
Wednesday 11/14, 10 AM

A message from Wendy:
I am excited to bring this program to CWCM! Please join us in promoting literacy by helping children develop a reading routine and grow their home library! Kids are welcome to sign up and sponsors are always appreciated!

Wendy Losinski
Usborne Books & More, Independent Consultant and Educational Services Rep.
