Give the Gift of Discovery!

As we are coming to the end of the year consider making a tax deductible donation to the Central Wisconsin Children's Museum!

Every year we provide a family based discovery place where children and their adults can explore together. We also offer classes that are free with daily admission or membership. Our admission prices alone only provides about 25% of total revenue need to support our operating budget. The other 75% comes from fundraisers and donations from people like you! So this holiday season please consider making a donation so that other families will be able to enjoy the museum as well!

New Year's at Noon Monday 12/31, 10am-2pm

Most kids will not be awake to ring in the New Year at midnight, so join CWCM for New Year's at NOON! The museum will only be open 10am-2pm for guests to create their own silly hats, and noise makers, take selfies at the photo booth, enjoy snacks and a countdown and toast at NOON! Admission is \$5 per person or a donation from our wish list (members & non-members). Explore, Discover, Create with CWCM!
